

AMWA GCAC Freelance Chair Responsibilities

The AMWA GCAC Freelance Chair communicates with freelance members through regular meetings. The chair listens to the unique and evolving needs of freelance members, organizing presentations to assist them to manage and market their businesses more effectively. Networking is very important to freelance members and a critical aspect of our regular meetings.

As a member of the chapter Board of Directors, the Freelance Chair also works closely with the Events Chair to ensure that other chapter events, especially the annual meeting, are able to provide value for freelance members. The Freelance chair offers options on chapter-wide activities, providing feedback from the freelance perspective. As with other board positions, the Freelance Chair contributes to submitting chapter information to AMWA national with the needs of freelance members in mind.
